Subject: SCOLIOSIS SCREENING

In the next few weeks, school medical personnel will be screening students in grades six, seven and eight for SCOLIOSIS (curvature of the spine). This is scheduled to take place January 18th through the 24th during PE classes.

This is mandated in *RULES AND REGULATION FOR SCHOOL HEALTH PROGRAMS* (R16-21-Scho).

Boys and Girls will be screened separately and their privacy will be assured during the time of screening.

This test shall not be required of any student whose parents object on the grounds that the test conflicts with their religious beliefs.

YOUR CHILD WILL AUTOMATICALLY BE INCLUDED IN THIS PROGRAM UNLESS WE HEAR FROM YOU. IF YOU DO NOT WANT YOUR CHILD TO PARTICIPATE, PLEASE SIGN BELOW AND RETURN THIS FORM TO THE SCHOOL NURSE.

THANK YOU!!
